

## CAMPING @ MASHAM 30<sup>th</sup> June – 2 July 2006

Final figures for the camping have been emailed to the campsite but we can always squeeze an extra tent or two in if need be. This weekend away has proved to be very popular especially with those of us who like to sample the local brew! There has been a slight price increase this year and the cost per night is £4.50 per person per night – we don't think that will break the bank!! There are currently 13 crews (+ 1 support car) on the list and Martin has promised a re-run of the ford on Low Row – with photos this time!! Looking forward to this one. ☺

A few crews have put their name down to do The **Dambusters Run** on **16<sup>th</sup> July 2006** organised by Northernminis – 150mile run around the High Peaks – this will be a brilliant day out if last years sample is anything to go by! Members wishing to participate add your names to the runner list. Meet times etc to be finalised nearer the date once things have been finalised by the organisers.

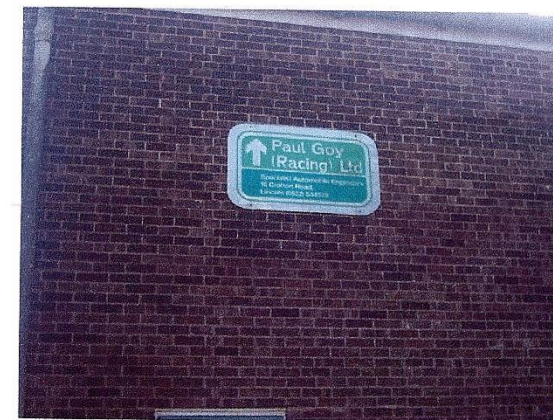

**Castle Howard Extravaganza – 18<sup>th</sup> – 20<sup>th</sup> August 2006** – taking in the Last Night of the Proms as well as a trip to Eden Camp and a couple of navigation runs. £50 for the whole weekend including camping and rally plates. Again organised by Northernminis – see Sheila for a booking form. Places are limited to 100 so be quick if you want to go on this one.

Full details of both these events can be found at:

There will be much more taking place throughout the year so keep an eye on the club's forum on our website.

**ROLLING ROAD @ PAUL GOY RACING 26 MARCH 2006:**

Our first ever rolling road day produced a good turnout of club members and although a little noisy everyone enjoyed themselves. Each member received a print out of their car's performance and it is suffice to say some did a little better than others (didn't they Ross and Ian?), and some discovered they were in need of a tune up. One or two members were pleasantly surprised with the result too! We even had a gent turn up with his mini just to have a go for the fun of it.

So – not in any particular order here are the results:

NAME	MODEL	BHP (@ wheels)	BHP (@ flywheel)
Ross	Mini Sprite	84	126
Hayley	Mini City	21.9	33.5

Martin	Mini Mayfair	19.1	28.6
Ian Wilson(Visitor)	Cooper Sport	34.8	52
Ian Crowe	Mini	60.5	91
Sheila	Mini City	25.2	37.8
Colin	Mini Mayfair	16.1	24.1
Dayle	Mini Mayfair	13.6	21.5
Rachel	Mini Mayfair Auto	30.8	46.2
Maurice	Mini Mayfair	27.1	40.6

A big thanks to Ross and Doug for giving up their Sunday morning for us.

**DATES TO NOTE:**

Remember that the **Easter Navigation Run** has now been moved to take place on **Sunday 23<sup>rd</sup> April** due to unforeseen circumstances with the event finish. Those members wishing to take part in this run please meet at Caenby Corner @ 11am. Ian has assured me that you will be given a set of directions and it will be up to you and your navigator to find the finish.

**Sunday 11<sup>th</sup> June** sees a multiple choice for club members to take part in. Firstly there is **Lincoln Castle Classic Show** – see Ian Crowe if you wish to attend this. Last year the entry fee was £4 per car payable in advance.

The club have also been invited to attend the **6<sup>th</sup> Max'd Car Show at Cleethorpes** in aid of the children's charity "When You Wish Upon A Star". Several owners have already put their name down for this one. Entry cost is Car and driver £5, each passenger £2 and under 12's free. All the proceeds go to the nominated charity. Payment is in advance and the entry has to be in no later than 1<sup>st</sup> May. Please see Sheila with your entry fee and car details should you wish to take part.

Also on this day is a new event to be held in Gainsborough on the Trent side. More details to follow regarding this event.

**Sunday 18<sup>th</sup> June 2006** sees the clubs' first show at Normanby Hall, Near Scunthorpe. Please support your club with this one. Volunteers needed on the day or if you think you can assist in any other way please come forward.
