

CAMPING @ MASHAM 30th June – 2 July 2006

Looking forward to this one. ☺ This is our 3rd visit to the Old Station Camping and Caravan Park at Masham. There are currently some 12 cars attending and I understand that Martin & Emily have planned a trip up beforehand to sort a run out for us which will hopefully take in some new and challenging roads. Price is £4.50 pp per night. Cheap at twice the price! Anyone on the list who wants to convoy please contact Jim/Sheila to make arrangements otherwise directions to the site can be found at:

Anyone who doesn't have access to the internet and is not convoying to the site the address is:

EASTER NAVIGATION RUN SUNDAY 23 APRIL 2006:

A big thanks to Ian and Marcus for giving up their time to organise this event for us. Although the day started rather dull, that's more than can be said for the run itself. Some people found it rather challenging!! And some people just got hopelessly lost – yours truly included.

I understand that Marcus may have some footage of the entrants making rather a splash at the ford in Welton. The run ended at the Lincolnshire Transport Museum in Lincoln.

999 & CLASSIC CAR SHOW, CLEETHROPES SUNDAY 30 APRIL 2006

Unfortunately, due to an accident en-route the club did not attend this event. Our apologies have been passed onto the organisers. Three club cars suffered damage in the incident although no one was seriously hurt. Two vehicles are currently off the road. Thanks to those members who continued onto the show to explain our 'no show' on the day. Also a big thanks to Mike for giving up his Sunday, despite being ill, to bring his trailer to the scene of the accident **twice** and get the cars back home to Scunthorpe.

CAENBY CORNER NITE: FRIDAY 5 MAY 2006

First gathering of the year at Caenby Corner and the word certainly seems to have spread! 21 cars at this one and we are confident that this will get better and better. Thanks for everyone's support and welcome to those new members who joined on the night.

Trent Valley would also like to extend its thanks to the new management at the café for allowing us to continue with these meets.

DATES TO NOTE:

A reminder about the following dairy dates:

Friday 2nd June 2006 – 2nd Caenby Corner Mini Nite 7-30 – 8pm– same format as last time; meet, talk minis have a cuppa from the Café and make some new friends. We also make an excellent obstacle course for the lorries using the facilities too!

Sunday 11th June sees a multiple choice for club members to take part in. Firstly there is **Lincoln Castle Classic Show** – see Ian Crowe if you wish to attend this. Last year the entry fee was £4 per car payable in advance.

The club have also been invited to attend the **6th Max'd Car Show at Cleethorpes** in aid of the children's charity "When You Wish Upon A Star". Entry for this event has now closed but those members attending have promised to put on a good show on behalf of Trent Valley MOC. You never know we might just beat all the odds and come away with best club stand !!

Also on this day is a new event to be held in **Gainsborough on the Trent** side. More details to follow regarding this event. Please see Martin Boothman or Mike James for more information

NOT TO BE MISSED.....Sunday 18th June 2006 sees the clubs' first show at Normanby Hall, Near Scunthorpe. There will be a pre show meeting on the 14th June at the White Heather, Hemswell – please remember to attend if you can.
