THE WHITE HEATHER, HEMSWELL

NORMANBY HALL MINI DAY 2006

Everyone involved in this our first ever Show should give themselves a big pat on the back and a terrific round of applause!! So far (apart from one or two little gripes – only to be expected) there has been nothing but positive feedback. The show was very well attended on the day and there was even praise from the public about how well organised everything was. The mini parking only area was well received and even doubled up as a picnic area for our visiting minis. We suspect there were even some scouts from other clubs (a bit of eavesdropping confirmed this) who will be definitely attending if we decide to go ahead with a show next year. There was also a couple of traders sounding the show out for numbers who have stated they would certainly attend next year and will recommend us to their trader friends. All the clubs that attended have said they want to come back next year – so how good is that? Anyhow, without further ado here are just a few pictures.
