THE BECKETT ARMS, CORRINGHAM

NEWS IN BRIEF:

It's been quite a while since the last newsletter, so this edition covers club events from the end of September to November 2007.

SEPTEMBER 23RD : FISH AND CHIP RUN

Mike organised the annual 'Fish and Chip Run' to Cleethorpes taking in the 'Waltham Windmill Classic Car Show' on the way

The weather held up, though I bet it was a bit draughty in the Moke!! We all had a good day out & The Olde Sweet Shop at the Windmill got plenty of trade didn't it Pete?

We parked up near the boating lake, not far from the Light Railway, but it was quite a trek into town & we definitely built up an appetite by the time we got to the restaurant "Fish, chips & peas twice please"

SEPTEMBER 30th

Several members attended 'The Chatsworth Rally Show' for the first time & it was a great day. There were plenty of cars to see, from Mk 1 Escorts & Mini Coopers through to the Stratos & Quatros, & up to date Imprezas & The Bowler Nemesis. The 'Mini tribute' with Rauno Aaltonen, Paddy Hopkirk & Timo Makinen, gave Mini owners a treat & we watched in awe as Russ Swift gave a precision driving display in his BMW Minis. There was something for everybody, so we definitely need to be making this an annual outing for the club. Last year was extra special though, as it was celebrating 40 years of Mini Cooper rallying & we were able to witness racing at close quarters on the timed stages in the grounds of Chatsworth House.

OCTOBER 28th

We visited Lincolnshire Wolds Railway on a damp & grey day on this Sunday in October. Mike planned a great route through the rolling Lincolnshire countryside, which was excellent for Mini driving with plenty of hills & winding roads to keep us entertained.

A short ride on the train (it doesn't go very far!) a bowl of soup & a bun in the café, & then we were on our way. By the time we got home it was buckets & shammys at the ready as we did get a bit grubby!

NOVEMBER 2nd

It was very nearly Guy Fawkes night, so we went to the 'Bonfire & Fireworks Spectacular' at Lincolnshire Showground, after which there was an impromptu grass tracking display by some irate drivers who were obviously in a rush to get home. (Were they from Skegness I ask myself?)
