

DECEMBER 17th The Christmas Meal

The Christmas meeting and meal once again took place at The Ingram Arms in Laughton, and Mike opened the meeting, which was to be the last one with him as Chairman, so he had to say a sad goodbye to his horn!!

After a great meal Mike presented some members with awards and certificates for their commitment to events and hard work throughout the year.

OCTOBER 15th

October's monthly meet had members going head to head on the Scalextric track after Adam had put together a great layout with an assortment of cars.

It was a close run competition, but the eventual winner by half a second was Mark, closely followed by Rachel. A big thank you to Adam from all the members for an entertaining evening's racing – it was even more fun when we put the lights out, but then we couldn't find the cars when they came off the track (which was quite often!)

OCTOBER 19th

The St Leger Run took place on this windy Sunday and saw an assortment of classic vehicles convoying from Doncaster's Aeroventure to Sandtoft Trolley Museum (you can tell how windy it was from the near horizontal wind sock on the right of the photo!)

The attending vehicles parked up in the central grassed area surrounded by the trolley buses that were running on the day, giving visitors the chance of a bacon butty for breakfast and a tour around the museum exhibits. A nice relaxing day out.

NOVEMBER 1st

A cold and wet afternoon saw a few members braving the weather to look around the Lincolnshire Aviation Heritage Centre at East Kirkby.

There was a spectacular firework display in the evening with members unfortunately having to take shelter in the hangar! Hope that the weather's better for next year

NOVEMBER 19th - AGM – 8.15pm

Mike opened the meeting and said that 2008 had been another successful year for the club - Lincoln BIG was very well received considering it was the first one and again Normanby Hall had gone from strength to strength with Mini Magazine wanting to use our 2 main events in their 'Mini Logbook' to celebrate 50 years of the Mini next year.

He'd enjoyed his 3 years as Chairman, but wished to stand down, so after some lengthy discussions it was decided that we'd have 2 Vice Chairmen and no Chairman.

The following people were nominated as the club committee for 2009

Vice Chairmen : Pete and Dave S

Treasurer : Pete

Club Secretary : Rachel

Website Manager : Gareth

Membership Secretary : David C

Club Hostess : Carole

Publicity / Press Officer : Mike

Social Secretary : Dawn

Events Secretary : Rachel
