Bell Watson Border Classic Rally

There were 78 classic cars entered into this year's rally, with Mike and James, Pete and Dawn and Adam and Hayley flying the flag for Trent Valley MOC.

The cars set off from Brigg's Market Place at 1 minute intervals and it was good to see all the classics driving through the historic town as they set off on the rally.

Huge congratulations go out to Adam and Hayley who won the rally and to Pete and Dawn who came third – what a great result – bet you've not recovered yet have you Adam and Hayley?
The winning team . . .

. . . well done

APRIL 27th

BBQ at Clumber Park

A few club members had a run out to Clumber Park on April 27th for a BBQ with Mini Diddlers, LincsMiniChaos, and a few other Mini clubs.

The weather wasn't too bad, we only had one light shower throughout the day – but that didn't stop us as we were prepared well David was!!

At the last count there were 46 classics and 2 Binis, so it was an impressive turn out, and it was decided that we ought to be doing it again sometime soon.

On the way home we stopped off at Daisy Maid ice cream parlour and sat in the sun with our double cornets. All in all it was a great day – good food (well some of the sausages were a bit on the black side) decent weather and good company.

MAY 2nd

Caenby Corner Meet

There was a good turn out of Minis for our first Caenby Corner meet of the year, with 28 Minis visiting throughout the evening.

A big thank-you to Dawn for baking the cakes and icing them with the TVMOC logo to celebrate hers and Rachel's birthdays (which were both on that day) – they were scrummy.

MAY 11th

Marcus's Mini Scramble

Twelve members in 6 cars met on a beautiful sunny Sunday at Caenby corner to take part in Marcus's Mini scramble.

The route took us through some lovely quaint Lincolnshire villages and along some great country roads – just what you want when you're in a Mini.

Congratulations to Pete and Dawn who were announced to be the winners when we all arrived at our final destination – Cleethorpes. Apparently it was a close run thing, but they were the fastest.

So thanks to Marcus and Claire for organising the run as everybody had a very enjoyable day and nobody got too lost - though some had problems finding the entrance to the car park at Cleethorpes !!
