

JULY 4th

July's Caenby Corner meeting saw Malcolm Emptage and other members from the Life Riders team accept a cheque for £100 from Mike and other members.

JULY 13th

To raise much needed funds for the animal sanctuary Jerry Greens's held their annual open day on July 13th and invited TVMOC members along to display their cars (The dry weather even saw Stephen and Rachel bring along Morris Moke and Morris Mini for a Sunday outing)

The event was very well attended as the sunny weather brought in the crowds, so hopefully plenty of money was raised to help look after the animals which pass through their gates in the coming months.

DIARY DATES: so far

TRENT VALLEY M.O.C.

The Old Station, Masham

SUMMER 2008

GATHERINGS: 3RD WEDNESDAY OF EACH
MONTH 8PM

@

THE BECKETT ARMS, CORRINGHAM

JUNE 1st

It was an overcast morning when 9 members met up at The Bird in the Barley for a day out at Messingham Show. There was a convoy to the Showground where the Minis parked amongst the other classic vehicles that were on display.

With plenty to see and do, and not too much of the wet stuff, a good time was had by all and members even got the chance to parade their cars around the main ring.

JUNE 8th

A new event that TVMOC attended this year was the Cleethorpes Motor Show organised by the Maxd Modified Car Club which took place on June 8th.

The scorching weather brought in the crowds and Brian, Ian, Heather and Nigel, Rachel, Dave and Carol all attended with their Minis.

There were some beautifully turned out cars at the show so TVMOC members' cars fitted in nicely!!

But after lounging around in the glorious sunshine all day with quite a bit of white flesh on show a few members did end up looking a bit like boiled lobsters – you know who you are!! “Where’s the aftersun?”

JUNE 22nd

A week after Normanby Hall Mini Day was the date of the Lindsey Lodge Hospice Garden Party where Mike and other members presented Ann Millett with a cheque for £1000 which was some of the money raised from the Mini Day.

The money will go towards an extension to the Day Care Lounge and a new Therapy Wing, with work due to be completed later this year.

JUNE 27th – 29th

As an ‘after show wind down’ some members went to The Old Station at Masham for the annual camping week end.

Pete and Dawn organised a great run on Saturday along some lovely country roads taking members literally up hill and down dale for over 100 miles. The rain stayed away enabling the BBQ in the evening to go ahead as planned with not too many burnt offerings

. apart from David's of course,
“You can't be too careful when cooking chicken”
