

APRIL 8th

A new show flyer was decided upon at April's committee meeting.

Gareth had designed a variety of different flyers and a new one was chosen, which had to be sent hastily to the printers ready for Lincoln BIG, so that they could be distributed on the day.

THE BECKETT ARMS, CORRINGHAM

MARCH 8th

14 Minis convoyed to Dyno Tune in Scunthorpe in blizzard conditions ready for our Dyno Day to test the immense power that is the Mini!

Mini World magazine were in attendance to record the event, only due to a technical hitch (ie the Minis couldn't get up onto the rolling road!!) there were only a handful of Minis that were unable to have their bhp recorded – what a let down!

The sun did come out in the end, and even though it didn't quite turn out the way we were expecting, a good time was had by all. It was such a shame that Mini World had travelled all that way for nothing, but they assured us that they'll come to our next one.

MARCH 31st

A 'Sundae Run' was organised for the last week end in March, and Rachel planned a route from Caenby Corner via some lovely picturesque Lincolnshire villages to the Appleby's Ice-cream parlour at

Conisholme on the east coast, and the sun shone on us all the way.

With so many flavours it was difficult to decide which one to choose, but we managed it in the end!

Leaving Conisholme we headed to Cleethorpes for fish and chips and parked up near the boating lake.

APRIL 19th

The second Lincoln BIG Mini Day took place on April 19th, and what a glorious day it was with over 120 Minis making the journey to Lincoln.

A dedicated newsletter of the event is available, so there's only a quick mention here.

NORMANBY HALL MINI DAY

We now have a new main sponsor for our Mini Day on June 21st

On April 23rd a promotional photo shoot was arranged at their offices at Olympic House Doddington Road Lincoln.

Don't they look impressive!
