**Lives Presentation**

**17<sup>th</sup> October 2012**

### **Lives Presentation**

**On the 17<sup>th</sup> of October the club met for it's usual meeting and were joined by Roger Ferguson from lives where the club presented him with a cheque for £600. This was a share of the proceeds from The Normanby Hall 2012 show.**

**Rodger is the first responder Regional Development Officer. We are currently awaiting a response from the Air Ambulance for their presentation.**

### **Octoberfest Gainsborough**

**On the 20<sup>th</sup> of October a small handful of faithful members met at Gainsborough Old Hall for their annual beer festival.**

**There was plenty of interest in the club minis on display and weather was good with a chance to do a bit of polishing. The festival was well attended maybe a little to well attended as beer supplies were short and the festival closed 2 days early when beer supplies ran out.**

### **Bonfire Night**

**Remember remember the 5<sup>th</sup> of November when gunpowder treason and plot.**

**This is just what the club did meeting at The Briggate Lodge Car Park, before travelling on in convoy to the Winterton Show Ground for an evening of Bonfire and Firework Fun.**

**The first display was for the children with plenty of pretty flashes and stars to illicit oohs and ahs from the large crowd. The later show at 8pm for the older people was spectacular with the Bonfire to keep you warm. At a cost of just £5 per car a very reasonable night out.**
