## 1<sup>st</sup> Bowl.

The club were invited to an afternoons bowling with It's A Mini thing on Sunday 25<sup>th</sup> of November

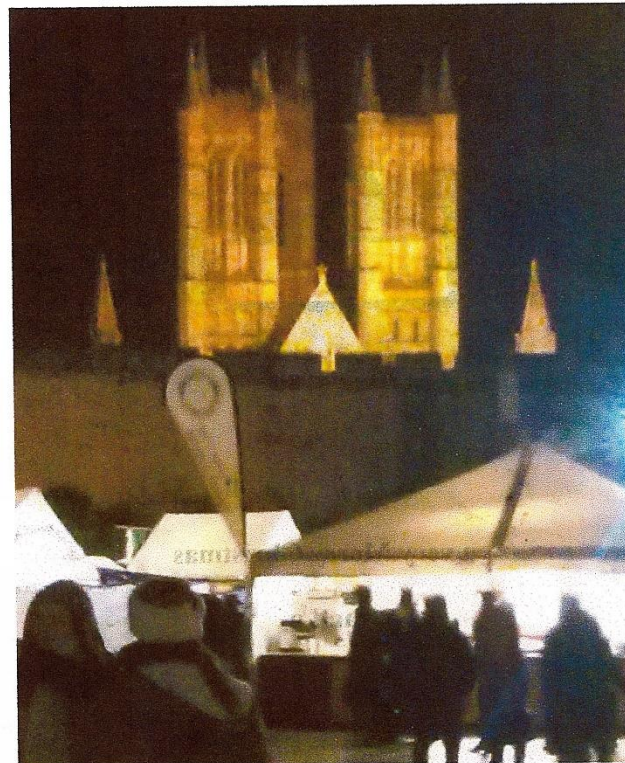

A very entertaining afternoon and evening followed, with a variety of bowling styles on display, with even 1 member bringing his own bowling ball

3 close matches ensued with strikes a plenty top bowler of the night for TVMOC goes to Pete "The Sweep" Towers with a total score of 365.

## Lincoln Christmas Market

The club started the festive season early visiting the Christmas market at Lincoln on its opening night. With park and ride advance tickets at £12 and the last bus at 10pm we headed off in search of the festivities.

With food, drink and craft stalls on offer we were spoilt for choice as for where to go and what to look at. The fun fair was too much for some members to resist.

The food on offer was exotic and most welcome with everything from hot dogs and burgers to Ostrich, Springbok or Kangaroo for the more adventurous.

As for the drinks mulled wine, spiced cider, gluhewine were just some of the beverages on sale and the smell was intoxicating.

With the air heavy with wonderful smells and the weather getting progressively colder we caught the penultimate bus home as the market came to a close for it's opening evening.
