

TRENT VALLEY M.O.C.

You wouldn't believe how quick this second Newsletter has come around....phew. It only seems like a few weeks since my last bash on the keyboard. So here's my second attempt & hopefully give you all something to read that reflects on past events as well as something to look forward too. So I hope that this achieves those things and inspires you to join us on events to come.....

Lincolnshire County Wheels at Woodall Spar 22nd April

This is a show that we as a club have attended a few times now and it just seems to get bigger and better each year.

In the Hurley Camp it was to be a double barrel turnout as our friends from SMEG (Social Midlands Elgrand Group), were attending this event for the first time - so this meant a trip in 'Bertie' for Hubby and a trip in 'Gertie' for me....what a military operation that turned out to be...but that's another story.... Felt like a quick change artist from one area to the other ...but hey ho....

As in previous years it was a good turnout by Trent Valley M.O.C. plus a wide variety of vehicles that provided something for everyone. The weather did its best for most of the morning but we could see the rain clouds venturing in so for most people it was an early afternoon journey home.

Morris Minor O. C. Classic Car & Motor Bike Rally, Church Square, Scunthorpe. - 28th April

Stunning, awesome, beautiful to pick just a few words to describe the quality of the cars that turned out for this event. Moggy's, Mini's, and a real magician's bag full of surprises.

Mini & Moggy Minor Gathering at Willows Garden Centre 13th May

This was the first time that Trent Valley M.O.C. had held an event at The Willows Garden Centre and what a success it really turned out to be. The setting was ideal to attract people to the event and take a look around the vehicles that came whilst visiting the garden Centre. With a craft shop, grocery shop, etc. to browse around and a restaurant serving excellent food....what more could you ask for?Tombola...of course! And didn't we do wellan amazing £87.00 made on the day for our chosen Charities – Lives & Air Ambulance But one of the things that made it a fantastic day was the generosity of the garden centre owners who very kindly donated two £20.00 vouchers to

two winners of The Best Mini & The Best Moggy on the day, which Abbey kindly presented to the winners. But the day just kept getting better as classic cars & bikes just dropped in as they were passing....brilliant. Mark your calendar for this event possibly later in the year & definitely for next year folks.

I must mention Phil's piece of brilliance though as this was a definite hit.... His raised banner.....ace work Phil...really spot on...

Completion Winners of Best Mini & Best Moggy.

Humber Bridge Classic Night – 18th May

These nights are held just over the Humber Bridge (from Scunthorpe side), & always attract a vast number of vehicles from around a wide area. The evening was ideal for some of the more unusual vehicles to attend & what stunners they were too. From two wheels, three wheels, obviously four wheels....but a car with the bodywork made from wood...yes you read this right....wood. Fantastic.

One for Liz!

We had a special little passenger in my Mini – of the furry nature – Jack. For a little fella that has issues about other dogs, due to being attacked on more than one occasion, he deserved praise for really doing very well with guidance from Liz.

Clarborough Festival & Show – 20th May

What a fantastic show this turned out to be & the weather was hot...hot & hotter.....Sun cream was definitely a bonus but you had to remember to change your sitting position otherwise you got a little toasted on one side more than the other...just what I did or rather didn't do....ouch.

But it really was a fabulous day in more ways than one....because it was someone's very special birthday....he tried hiding from it but it didn't work....gocha Martin...Happy 60th from us all... Celebrated with a very ummy Chocolate Fudge cake with strawberries and cream....with thanks to Janet.

Even attracting Royal Guests!
